

Since 2009, DJ Bounce has become an avid traveler across the United States performing his own style of 'open format' in various cities such as Miami, Chicago and Toronto. His distinct style of scratching, live remixing and blending classic party anthems spans to a wide variety of genres from Hip Hop to House, Spanish to Reggae and 70's to current hits.

Over the past several years, Bounce has held residencies at some of the most prominent clubs in Miami including: LIV, Arkadia, Florida Room and Blue Martini. In addition, he has performed regularly at Lumen Chicago and Roosevelt Room Toronto.

In 2010, Bacardi began to sponsor Bounce and gave him the opportunity to DJ at all high profile Miami Heat games including the 2011 NBA Playoffs in the Dewars Club. Soon after, Bounce became an head instructor at the Scratch DJ Academy in Miami, which was created by the late Jam Master J.

In August of 2011 Bounce made his break into the international scene by touring in Barcelona, Spain and various cities in Italy. He is emerging as one of the freshest Dj/Vj/producers in the nightlife scene and is expected to remain in high demand for years to come.

Dj Bounce is available for bookings directly at info@DjBounceMix.com.
